PROFESSIONAL SUMMARY

Full Stack Developer with 5+ years of experience designing, building, and shipping scalable, secure, and high-performance web and mobile applications. Skilled across the full stack (Vue.js, React, Next.js, Angular, Spring Boot, Python, Node.js) with hands-on experience in cloud infrastructure (AWS), relational databases, and Agile/Scrum delivery. Background in cybersecurity and ethical hacking adds a security-first mindset to every project. Strong track record of cross-functional collaboration, self-learning, and delivering client-focused solutions on time.

TECHNICAL SKILLS

Frontend: HTML5, CSS3, JavaScript, Vue.js (Vue 3), React, Next.js, Angular, Ionic, Tailwind CSS

Backend: Java, Spring Boot, Node.js, C#, PHP, Python

Databases: SQL, SQL Server, MySQL, Supabase

Cloud & DevOps: AWS, Edge Functions, Git, CI/CD basics

Security: Ethical Hacking, Kali Linux, Vulnerability Assessment

Tools & CMS: WordPress, Figma, Adobe XD, Adobe Illustrator, Android Studio, Google App Script

Methodologies: Agile, Scrum, IBM SPSS

PROFESSIONAL EXPERIENCE

Simplifica — Full Stack Developer

Oct 2023 – Present

Bogotá, Colombia (Remote)

- Develop and maintain full-stack features for a production web application using modern JavaScript frameworks, contributing to code quality, performance, and security standards.
- Collaborate with designers, backend engineers, and product managers to implement key features and improve overall user experience.
- Follow industry best practices to ensure the application meets current performance and security expectations.

BotsLovers — Full Stack Developer

Feb 2025 – Apr 2025

Madrid, Spain (Remote)

- Contributed to full-stack development using Vue 3, Tailwind CSS, Node.js, Supabase, and edge functions.
- Built and improved views, configurations, and features across multiple company applications.

Ipsos — Data Processing & Scripting Analyst

Oct 2022 – Feb 2024

Bogotá, Colombia

- Programmed data-collection websites and applications using IBM SPSS and Ipsos proprietary tools.
- Built Excel automation scripts that streamlined the development team's daily workflows.

Enterkey LLC — Ethical Hacker

Jan 2023 – Jun 2023

Miami, FL, USA (Remote)

- Performed ethical hacking on client web applications, identifying, documenting, and reporting vulnerabilities, risk levels, and business impact.
- Presented findings and mitigation strategies to clients via video conference to strengthen their security posture.

Universitaria de Colombia — Full Stack Developer / Team Lead

Mar 2022 – Feb 2023

Bogotá, Colombia

- Led a Scrum team to design, develop, and deliver 5 software products on schedule, including 3 mobile apps and 3 desktop applications.

- Coordinated sprint planning and stakeholder communication, ensuring delivery met client requirements and quality standards.

Universitaria de Colombia — Webmaster

Dec 2021 – Aug 2022

Bogotá, Colombia

- Developed and maintained institutional websites in WordPress, implementing plugins and process automations with Google App Script.
- Collaborated on SEO and marketing campaign improvements while maintaining site security.

Droguerías Mitad de Precio — Technology Specialist

Jun 2018 – Dec 2018

Bogotá, Colombia

- Implemented and maintained WordPress/HTML/CSS websites and relational databases, and built process automations.
- Produced technical documentation and presentations for internal stakeholders.

EDUCATION

Cambrian College (Canada) — Postgraduate Degree, Artificial Intelligence & Machine Learning *Sep 2025 – Jun 2026*

Universidad Isabel I (Spain) — Master's Degree, Cybersecurity / Computer Engineering *Dec 2022 – Dec 2023*

MindHub LA — Software Testing, Information Technology *Jun 2023 – Oct 2023*

Universitaria de Colombia — B.Eng. in Systems Engineering *Mar 2020 – Mar 2023*

Universidad El Bosque (Colombia) — Diploma in Ethical Hacking, Information Security *Oct 2022 – Nov 2022*

CERTIFICATIONS

- Introduction to Artificial Intelligence (AI)
- Scrum Fundamentals Certified (SFC)
- Diploma in Ethical Hacking and Information Security
- English Language Certification
- Agile Explorer
